Chaukor The Second

Chaukor The Second, was inspired by the original Chaukor (available here - https://swatchophile.wordpress.com/2015/02/24/chaukor/). The two shawls are similar in aesthetic, but this second version is simpler.

The pattern includes written instructions for three sizes – a large stole version, a medium-sized stole version and a small scarf version.

The accompanying pictures show the largest version of the shawl.

(The numbers for sizes Large, Medium and Small are separated using the "/" symbol as follows – L / M / S)

CO **101** (Large) / **73** (Medium) / **59** (Small) sts loosely, using the long-tail method.

Knit 4 rows

Now start working in the **Lace Grid stitch pattern**. Knit rows 1 to 12 of the pattern **39** (L) / **37** (M) / **32** (S) times. Then knit rows 1 to 5 one more time, ending with a right side row (row 5 is a RS row).

Knit 4 rows

Loosely bind off all stitches knitwise (you will be binding off on a WS row).

Wet block the shawl to desired measurements. Weave in ends.
